SIR,

In continuation of my letters NoII54 dated 7.6.I945, NoI424 dated II.4.I946, No I286 dated 26.II.47 and letter dated 3.4.I948 requesting you to grant me the Duty Allowance of Rs I00/- per mensem, I have the honour to state that till now orders of Government on the same have not been passed and communicated to me. I may be permitted to state once again that the benefit of Duty Allowance is being enjoyed by the other Principals of the different Colleges in Mysore State, as for instance, the Principals of Maharaja's College and Central College get RsI00/-each, the Principals of Mysore and Bangalore Intermediate Colleges get Rs75/-the Principals of the moffusil Colleges get Rs 25/-and the Principal of the Mysore Women's College gets Rs 50/-

Likewise Government may be pleased to extend the same concession to me also, as I have carried on the onerous duties of the Principal to the entire satisfaction of the University authorities.

If there is any objection by Government to grant me Duty Allowance, I request that a Personal Allowance of RsI00/- may kindly be granted to me, as a special case, from the date of my taking charge as Principal. Therefore, I request you kindly to urge Government to consider my case favourably and grant me the Duty Allowance of RsI00/- per mensem with retrospective effect from the date of taking charge as Principal for which I shall feel grateful.

With reference to your letter NO A3-111 7/46-47,dated 1st.April I948,regarding the Duty Allowance to the Principal,Maharani's College,Bangalore,I have the honour to state that the question relates to the period from1945-46 1946-47 and 1947-48 and it may kindly be sanctioned. The correspondence which is with Government refers only to future privileges of the head of the College and not to the past periods. Hence this may kindly be sanctioned.

The Registrar,
University Of Mysore, Mysore.

Sir,

With reference to your letter No.A3-III7 dated 7th.August I947, regarding a duty allownce to the Principal,Maharani's Colleg e for Women, I have the honour to state that the Principal of this College should be treated on a footing of equality with the Principals of the Maharaja's College and the Central College. They get a duty allowance and not only they but also the heads of the Intermediate Colleges.

The Maharani's College is in fact two University institutions rolled into one - the Intermediate classes and the Degree classes. The total strength compares favourably with the Maharaja's and other Colleges.The The strength of the College is 7I2 students and 40 members of the staff. In addition to all the duties that fall upon the Principal of Men's Colleges there are certain responsibilities which the head of a Women's College has to discharge.

I request you kindly to place the matter before the Vice-Chancellor and solicit his favourable orders. I submit there is no justification in granying a duty allowance to the Principals of Men's Colleges and denying it to the Principal of the Maharani's College. The old argument that Men's Colleges are large in size and strength and call for a high range of administrative ability has no relevance to-day in view of the striking and rapid growth of the Maharani's Women's College ,a growth which brings it on a level with the Men's Colleges. I know that there is as yet no duty allowance attached to the post but I plead that there should be one and that it should be sanctioned as from the day I was confirmed as Principal. I may pont out that there is a provision for duty allowance in the University budget.

I have the honour to be,
Sir,
Your most obedient servant,

Principal. 26/xi/47.

To
The Registrar,
University Of Mysore, Mysore.

Sir,

I have the honour to bring to your kind notice that the Principals of Maharaja's College and Central College are given a duty allowance of Rs I50/- per mensem in consideration of the responsible duties of the posts. The Maharani's Women's College is a first grade College with a strength of 543 students and with the following departments, Intermediate Arts and Science, B.A., B.Sc., and B.A., and B.Sc., Honours.

In addition to my teaching work in Sociology and the administrative duties as Principal of the College I am also the President of the Hostel attached to the College and also the President of the College Association which entail considerable additional work by way of constant guidance and supervision. Apart from this I need hardly say that the management of such a large women's institution is necessarily very strenuous and taxing.

I therefore request that my case may kindly be placed before the Vice-Chancellor for recommending me for the grant of a duty allowance of Rs I50 per mensem as in the case of other Colleges referred to above, for which act of kindness I shall feel highly grateful.

I have the honour to be,
Sir,
Your most obedient servant,
